OPEN CASTING CALL FOR CREATORS & PERFORMERS

Cast members will be expected to meet a professional rehearsal and performance schedule. Some parts may be double cast to make it easier for those who cannot commit to the full performance schedule. Help with transportation is available, which may involve a designated carpool driver, picking people up from a central location. We'll find out what people's needs are and do what we can to make this work!

Because this play is in development, some roles may be filled at a later date. For now, we are focused on choosing artists who will be devisors or devisors/performers. Artists who are only interested in performing are encouraged to audition now, as we want to know about you, but we may not make final casting decisions until we have a better sense of what the play will need.

Covid Policies:

ArtsWest is following Actors' Equity Association Covid Safety guidelines for an all-vaccinated company and monitoring changes in restrictions. Currently, all contracted actors are required to provide proof of vaccination, unless requesting a medical or religious/philosophical exemption. All actors will be required to review ArtsWest Covid protocols and agree to Covid testing as designated by ArtsWest. ArtsWest continues to require all audience members to wear masks while in attendance.
